Dear Mr. Blake:

We are attempting to up-date our mailing list to be sure those responsible for safety and health in your various bureaus, divisions and locations are included.

Your assistance in providing the names of the individuals, mailing address (street not post office box) city, state and zip with their commercial phone numbers would be appreciated.

It has been several years since a thorough up-dating of our list has been accomplished. We feel it is important that safety and health personnel be kept informed of the National Safety Council's activities, programs and services.
